At AMAWATERWAYS, our quest is to provide travelers with itineraries that go beyond the ordinary, with “hidden gems” and authentic experiences that would be challenging to arrange on their own. Our Vietnam and Cambodia expedition is one of our most tantalizing journeys – we’ve searched for memorable ways to explore time-honored destinations and recruited expert guides who are well versed in religion, architecture, and history. The end result is a carefully choreographed and truly unforgettable journey.

Today’s visitor to Vietnam and Cambodia follows in the footsteps of a long line of distinguished explorers. Come immerse yourself in this fascinating region of the world!

We hope to welcome you aboard soon!

PIONEERS OF RIVER CRUISING

AMAWATERWAYS was founded in 2002 by Rudi Schreiner, Kristin Karst and Jimmy Murphy, each of whom brought decades of experience, knowledge and dedication to the venture. A native of Vienna, Rudi is one of river cruising's pioneers, having introduced the modern-day river cruise concept to the travel industry back in the mid-1990s. Kristin hails from Germany and contributed extensive sales and customer service experience, both in Europe and in North America. Irishman Jimmy Murphy is founder of the tour operator Brendan Vacations. Together, their expertise and hands-on way of doing business created the most distinctive river cruise line in the industry.

Our founders and staff share a passion for travel and seek to give other travelers genuinely life-enhancing experiences. In an effort to take river cruising to a whole new level, we have focused on providing distinctive ship designs, the highest quality amenities and services, and interesting, well-crafted itineraries. AMAWATERWAYS is now an award-winning river cruise line on Europe's most iconic rivers and has expanded to exciting new destinations around the world, such as Portugal, Asia, Russia and Africa. We are building new ships, we are still family-owned and operated, and we continue to lead the way in river cruising.

AMAVOYAGES

AMAWATERWAYS strives to create extraordinary, one-of-a-kind river cruise experiences around the globe. In response to growing demand for more remote and undiscovered destinations, we developed our AMAVOYAGES division for river cruises in Portugal, Vietnam and Cambodia, Russia, and Africa. While these ships and onboard amenities and services differ somewhat from our European fleet, AMAVOYAGES consistently delivers the highest standards currently available in these regions. Our newly built or redesigned AMAVOYAGES ships are staffed by impeccably-trained crews and our meticulously planned and expertly guided land programs are considered the best in the industry. We put a strong emphasis on fostering genuine in-depth cultural encounters such as visits to local markets, demonstrations by local craftsmen, music and dance performances, and regionally-inspired cuisine. AMAVOYAGES journeys are an ideal choice for intrepid travelers seeking memorable, one-of-a-kind travel experiences.

Natural beauty, rich history, the delicate interplay of East and West...the distinct yet intertwined cultures of Vietnam and Cambodia make for an unforgettable journey.

The Mekong

The Mekong has long evoked images of the exotic and the mysterious...discover for yourself the countless wonders to be found along her fabled shores.

THE MIGHTY MEKONG

The Mekong River begins high on the Tibetan plateau and winds its way through China and the rainforests, plains and rice fields of five Southeast Asian countries before meeting the sea. In terms of its historic, cultural and ecological riches, the Mekong – “the Mother of Water” – has no equal. The sagas of ancient empires, colonial powers and modern conflicts have unfolded along the Mekong for centuries...even today, it is impossible to overstate the river’s importance for the many millions of Vietnamese and Cambodians who live along its vast length. The fortunes of the Mekong Delta and Tonle Sap Lake are inextricably linked and serve as the primary source of life for the people of this incredibly fertile region.

The best way to experience the Mekong is by river cruise, which allows you to fully appreciate the sights and sounds of this fabled and fascinating waterway. From the vantage point of your ship, you can witness the compelling contrast of the modern-day river and its ancient past. Sampans and motorboats yield to each other, as cone-hatted fishermen check their nets while chatting on cellphones. You will see serene monasteries and thatched stilt huts, dense cityscapes and the towering skyscrapers of Saigon. It is an awe-inspiring spectacle that simply must be seen to be believed.

Wherever the Mekong takes you, the sincere warmth and friendliness of the Vietnamese and Cambodian people will leave a lasting impression. Your AMAWATERWAYS river cruise is a fantastic opportunity to experience the genuine hospitality of this singular part of the world.

TONLE SAP LAKE

For most of the year, Tonle Sap Lake is relatively shallow and modest in size. During the rainy monsoon season, however, the Tonle River that feeds into the lake reverses its flow. Water is pushed up from the Mekong into the lake, increasing it to many times its normal size, creating a massive floodplain and acting as a safety valve to prevent flooding further downstream. As historically important as the flooding of the Nile River in Egypt, the annual ebb and flow of the nutrient-rich Tonle Sap Lake makes it one of the most productive inland fisheries in the world. Indeed, just as the Nile played a crucial role in the development of the ancient Egyptian culture, Tonle Sap Lake gave rise to the world’s largest pre-industrial civilization – the Khmer Empire and its ancient capital of Angkor.

A treasure trove of natural and cultural wonders, the Mekong rewards intrepid travelers in search of authenticity.

Vietnam

Immerse yourself in this enchanting culture...with its thriving cities, tranquil lakes, faded colonial grandeur and rich, resilient history.

A TRADITIONAL JUNK ON VIETNAM'S HA LONG BAY, CONSIDERED BY MANY TO BE THE 8TH NATURAL WONDER OF THE WORLD

VIETNAM

One of the world's great destinations, Vietnam lures us with its incredible beauty, amiable people, and rich culture that has endured for centuries. It remains one of the most intriguing and dynamic countries in all of Asia, with landscapes that are as varied as its history.

Blessed with a survival instinct that has seen it through many generations of conflict and upheaval, Vietnam is undergoing a significant transformation. The country is racing towards the future, and a growing sense of optimism can be felt throughout much of the country. Vietnam can be an assault on the senses; it is at once dizzying, frenetic, fascinating, and lovable. The Vietnamese people are friendly and generous, and traveling here can be a sheer delight.

Discover how East and West, ancient and modern co-exist in Vietnam in the most harmonious ways. In urban Hanoi and Ho Chi Minh City, you'll see makeshift food stalls, mopeds zigzagging down clogged city streets, vendors hawking their wares at lively markets...yet just beyond the city limits, water buffalo roam and women in pastel-colored tunics slowly peddle their bicycles down dusty paths. Throughout the country, there's an ongoing duel between art and commerce, old and new, progress and tradition, all making for a dynamic atmosphere that draws visitors from across the globe.

A NIGHT IN HA LONG BAY

A Junk is an ancient Chinese sailing vessel that is still in use in parts of Vietnam. Junks were developed during the Han Dynasty (206 BC-220 AD) and used throughout Asia for extensive ocean voyages. Today, they can be found on waterways throughout Southeast Asia, India, China and – perhaps most famously – in the former British colony of Hong Kong. Junks vary greatly in size and in the design of their rigging, but their most distinctive feature is their broad, fully battened sails. AmaWaterways is proud to offer our guests an unforgettable night aboard a traditional Junk on beautiful, ethereal Ha Long Bay... considered by many to be the 8th Natural Wonder of the World. This once-in-a-lifetime experience will surely be one of the highlights of your visit to Vietnam.

Whether it's the sharp scent of a spice vendor's wares, the soothing sound of water outside a Ha Long Bay Junk, or the sweet flesh of an exotic fruit, Vietnam is truly a feast for the senses.

Cambodia

Historic capitals, lush river valleys, and once-lost empires half-submerged in dense jungle foliage... yours to discover on this epic cruise-tour.

ETHEREAL WATERWAYS AROUND ANGKOR WAT, CAMBODIA

CAMBODIA

Nothing prepares you for seeing Angkor Wat for the very first time. Wandering amongst its ancient ruins, entangled in dense jungle growth and embellished with exquisite statues and bas-relief carvings, you will witness the steamy play of light and shadow. It's a scene that could be straight out of an Indiana Jones movie. Angkor's architectural treasures have tantalized Western travelers for more than a century, ever since a French naturalist literally stumbled upon it in the jungle and it became famous as the "Lost Civilization of Asia."

There are still countless wonders to discover and explore on an epic voyage through Cambodia - tranquil fishing villages, modern-day cities, delicious cuisine, sacred pagodas, terraced rice paddies...and the hospitality of the gracious and resilient Cambodian people.

Sharing a border with Thailand, Laos and Vietnam, Cambodia has its own distinct allure. The country is still primarily agrarian and recovering from the cruel misfortune that befell it a generation ago. Today, Cambodia is a resurgent nation, attracting visitors from around the world eager to explore its wealth of treasures as the seat of a once-great empire.

SMILING FACES OF CAMBODIA

Cambodians traditionally greet each other with the *sompiah*, pressing their hands together and bowing, fingers pointed up. The higher the hands and the lower the bow, the more respect is conveyed - an important thing to remember when meeting officials or the elderly. This custom has been partially replaced in recent times by handshake, especially among men, but women still tend to use the traditional greeting with both men and women. The Cambodian people have a delightful (and well-earned) reputation for being genuinely welcoming, friendly, and gentle. In a country where nearly the entire population practices Buddhism, most people do their best to avoid aggression and confrontation at all costs. Raised voices and displays of anger are extremely unusual in Cambodia.

Experience first-hand the enduring legacies of this "kingdom of wonder," one of the world's most beautiful regions.

Authentic Experiences

VIETNAM has friendly people, stunning natural beauty, and a rich cultural legacy. Your journey begins in Hanoi, which offers a compelling juxtaposition of past and present, East and West. With its graceful French colonial architecture, tranquil lakes and ancient temples, Hanoi offers a spectrum of historic and cultural landmarks. Spend a night on a traditional Junk in Ha Long Bay - a UNESCO World Heritage Site - where it is said dragons once spouted streams of jade droplets

into the waters below, forming thousands of islands and islets. The bay's centuries-old floating villages are now home to families of boat dwellers, who still honor the deities of these legendary emerald waters. Visit small rural villages, temples, and traditional handicraft workshops. Conclude your voyage in Ho Chi Minh City, once known as the "Pearl of the Orient" and more recently as Saigon, a place that has witnessed an extraordinary rebirth over the past half century.

HA LONG BAY

Ha Long Bay, "where the dragon descends into the sea," is Vietnam's most revered natural treasure. Dotted with islets, stalagmite-filled caves and fantastic rock formations, its mystical appearance has inspired generations of artists and poets.

SA DEC LOCAL MARKET

Discover exotic fruits and local delicacies at the country's vibrant, kaleidoscopic street markets. Here you will meet friendly Vietnamese people and their delightful children, who always seem to have wide sunny smiles on their faces.

TRISHAW RIDE

Immerse yourself in the local culture with an exhilarating *xe-loi* (trishaw) ride down the streets of Tan Chau. It doesn't get any more authentic than this!

CAI BE

Visit a Vietnamese rice paper workshop and try your hand at making paper using the traditional method, just as it's been done for centuries.

CAMBODIA is an incomparable treasure trove of architectural wonders and verdant landscapes. Your journey begins in Siem Reap, at the spectacular Angkor Archaeological Park. After three nights in this magical locale, embark upon a week-long Mekong cruise that features bird watching at Tonle Sap Lake, a visit to a Buddhist monastery, an oxcart ride down a scenic country road, opportunities to sample exotic fruits and local delicacies, and an excursion to

Cambodia's infamous Killing Fields. In the country's capital city, visit the Silver Pagoda and its collection of artifacts, including jeweled masks and a Buddha statue set with diamonds and emeralds. Once considered one of the loveliest of Indochina's cities, Phnom Penh retains much of its former glory with its wide boulevards and elegant colonial-era buildings.

OX CART RIDE

Taking an age-old mode of transportation for a test drive through a rural Cambodian village...an experience designed for travelers with a spirit of adventure and a desire to be inspired by new cultures, people, and ways of doing things.

ANGKOR WAT

One of the world's greatest architectural achievements, Angkor Wat has tantalized travelers since a 19th century naturalist first discovered it. This "lost civilization" is arguably the most remarkable architectural treasure found anywhere in Southeast Asia.

SILK-WEAVERS VILLAGE

Cambodia is one of the most unspoiled regions of the world, a place where many of its people continue to embrace a traditional way of life. Visit the workshops of skilled artisans who still create beautiful handicrafts using time-honored methods.

FLOATING VILLAGE

The waterways along the Mekong are packed with traders selling all manner of fruits and vegetables. It's a lively and colorful scene as they paddle from boat to boat, peddling a variety of goods amidst a traffic jam of sampans.

Enjoy the best of both worlds...authentic travel experiences amidst the comfort of elegant accommodations and impeccable onboard service.

BEST SHIPS ON THE MEKONG

AMALOTUS and LA MARGUERITE were designed with one purpose in mind: to provide an ultra-comfortable and immersive experience on Southeast Asia's legendary Mekong River. With décor that combines French Colonial elegance with local artifacts and regional Mekong accents, these AMAVOYAGES ships are an unforgettable setting for a cruise through Vietnam and Cambodia.

Both vessels feature elegantly-appointed public areas that include a Mekong Restaurant, Panoramic Lounge and library, spa, sauna, fitness center, and gift shop. Each ship also has a Sun Deck perfect for relaxing in the pool, enjoying a drink, or gazing out at the ever-changing scenery. And, unique to AMAWATERWAYS, the AMALOTUS and LA MARGUERITE are completely air-conditioned, with an interior corridor that conveniently links all decks.

Our guests often refer to our Mekong ships as a serene "haven." In many ways, Vietnam and Cambodia are still developing countries, and travel here sometimes calls for flexibility and a sense of adventure. Docking facilities, for example, are generally much more rustic in this part of the world than those in Europe. You may need to embark or disembark via a narrow gangway or a local tender boat, or occasionally cross a dirt- or grass-covered surface to reach the ship - but for our intrepid guests, that's what makes for an authentic travel experience.

After a full day of sightseeing, there is no greater pleasure than to return to your peaceful, comfortable ship and be welcomed aboard with a cool beverage and refreshing towel. Our friendly AMAWATERWAYS staff will always be on hand to assist you throughout your Mekong journey!

For more detailed information about our Mekong River ships, please refer to page 21 (for AMALOTUS) and page 23 (for LA MARGUERITE), or visit www.AMAWATERWAYS.COM.

In 2011, LA MARGUERITE was recognized with a coveted Gold Magellan Award from Travel Weekly magazine. AMAWATERWAYS SCHOOL PROJECT IN CAMBODIA

AMAWATERWAYS is a proud sponsor of the ODA Free Village English School in the province of Siem Reap, Cambodia, an educational facility operated in association with the Orphans and Disabled Arts Association (ODA, a registered non-governmental organization). Our financial support helped purchase the land and paid for the school's construction, and we continue to provide funding for teachers' salaries, school supplies and other necessities. The school brings critical English-language skills to local elementary school children that will help improve their future prospects. Surrounded by the famous temples of Angkor, the local people rely heavily on tourism, and the ability to speak fluent English is a key requirement for successful employment.

AMAWATERWAYS guests touring the Angkor Archaeological Park as part of their Mekong River cruise-and-land itinerary have an opportunity to visit this school and interact with the children. Before the school was built, most of these children had never met a Westerner and were very shy. Now they are much more confident speaking English and are eager to practice their new language skills with native speakers.

Our guests derive much enjoyment from visiting this remarkable part of the world, and many are very touched by the warmth of the Cambodian people. We have received numerous emails from passengers saying how inspiring it was to be in such a poverty-stricken place, yet surrounded by smiling children – children who seemed to think they had everything they could possibly want in the world.

All of us at AMAWATERWAYS are equally inspired by these delightful children, and are honored to be involved with such a worthwhile and life-changing project as the ODA Free Village English School.

Students at the ODA Free Village English School near Siem Reap, Cambodia, a thriving facility built and supported with funding from AMAWATERWAYS.

HELPING FROM HOME

Passengers often ask if there is something they can bring from home to donate to the ODA Free Village English School during their visit. If you are interested in making a contribution, we suggest basic personal hygiene products or school supplies, such as toothpaste, soap, shampoo, pencils, erasers, pens, chalk, small notebooks, post-it notes, dry erase markers and highlighters.

Thank You!

"We" or "us" or "AMA" refers to AMAWATERWAYS, Inc., a California corporation. We offer the travel and enter into these terms and conditions with you pursuant to arrangements we have made with AMAWATERWAYS, LLC, a California limited liability company ("AWL").

Reservation and Final Payment: To confirm a standard reservation, we require a deposit of \$400 per person within 7 days of placing the reservation (5 days if departure is within 90 days). All payments shall be in U.S. Dollars, unless otherwise stated.

Pricing: Cruise prices are in US dollars, per-person, based on double occupancy of a cabin, or standard hotel room, unless indicated otherwise. Single rates are available for the cruise-only, at a supplement of plus-50% of the brochure rate for standard staterooms, plus-100% of the brochure rate for Suites and Luxurious Suites. Single rates for land accommodations, are also available at a supplement. Pricing accuracy is assured only at time of printing. If any of the cost factors increases, such as airfare, transfers, tours, travel insurance, port or dock charges, fuel, insurance, taxes, surcharges, currency exchange or other, we reserve the right to increase the cruise or cruise tour prices without notice.

Airlines: AMAWATERWAYS offers special airfares; please call for details. Airfares from other gateways may be available and we encourage you to inquire about their availability. Intra-Asia air is per person and includes air taxes and fuel surcharges.

Passport and Visa: A valid passport is required for each participant. Passports must be valid for at least six (6) months after the scheduled return date to the USA. For travel to Vietnam and Cambodia, we require a copy of your valid passport prior to or at final payment. If not received in this time, embarkation may be denied and cancellation penalties will apply. At publication time, a visa is required for a US citizen to travel to Vietnam and Cambodia. A non-US citizen must consult appropriate consulates regarding visa and other document requirements. Obtaining required visas and any other required travel documentation, and assuring these are complete and correct in all ways, is the sole responsibility of each participant. We are not in a position to obtain or verify the accuracy or completeness of any participant's visa or other required documentation and shall not be responsible or liable for delay or missed portion of any cruise or cruise tour or other problems resulting from the participant lacking the appropriate travel documentation.

Tickets: Only after receipt of full payment, travel documents, including air tickets, will be sent by regular ground delivery within the continental U.S., about 3-4 weeks prior to departure. (Delay in full payment will delay delivery of travel documents). Expedited delivery may be possible for an additional charge of \$25 or the full amount of expedited services, whichever is more.

Air Tickets: Airline and flight schedules are determined based on flight and seat availability of contracted carriers. Air tickets are economy class, unless otherwise requested and additional charge for upgrade is paid, and are issued pursuant to the terms and conditions of the relevant airline(s). Business class may be available for purchase at time of booking; please ask your agent for details. Airlines require your name to appear on your airline ticket exactly as it appears on your passport. We shall not be responsible or liable for consequences of name on airline ticket and passport not matching exactly. An effort will be made to obtain direct flights; but these may not always be available. Available direct flights could be overlooked. Thus, air scheduling may involve connections and/or overnight travel. We shall not be responsible or liable for costs resulting from lost air ticket, delay, disruption or cancelled flight; lost baggage or a missed connection. A lost air ticket is solely the passenger's responsibility to remedy with the airline, including but not limited to filing a Lost Ticket Application with the airline.

Custom Air: Special requests may be made through our Custom Air desk for choice of preferred air carrier, flight schedule, and some deviations. Requests must be made at time of booking. Any added costs or expenses will be the participant's responsibility.

Changes: Air tickets that we issue have restrictions. For example, they cannot be reissued, transferred, or exchanged unless approved by the carrier and a fee may be charged by the carrier. A change or refund request must be made through us, but may not be possible. For example, some air tickets are non-refundable. An administrative fee of \$50 per ticket may be charged by us, in addition to airline change and cancellation fees, charged according to the airline's fee schedule.

Limitation on Special Requests of Airline: As a courtesy, we may try to relay a request for particular airline seating or meal, frequent flyer miles, or other assistance to the particular airline. We have no authority to grant a request, which is up to the airline. Whether or not we relay a request to an airline, you or your travel agent must always confirm directly with the airline regarding any such request.

Baggage: Please check with the airline regarding their baggage allowance. Most airlines limit checked bags to either one or two pieces per person, and limit carry on baggage to one piece per person, in either case, with weight and size restrictions. Flights are limited to a maximum 20 kg or 44lb, including hand baggage. Custom packages may also have baggage restrictions, please consult your travel agent or AMAWATERWAYS. We shall not be responsible or liable for costs or consequences of participant exceeding the airline's baggage restrictions, or for loss, theft, damage or delay to participant's baggage. We encourage you to purchase a travel protection plan that also includes coverage for baggage.

Transfers: A passenger purchasing transpacific air through us may qualify for a complimentary group transfer on a scheduled arrival between the airport and the ship or hotel, and on a scheduled departure between the hotel or the ship and airport. The transfer may involve some waiting time. A passenger making his or her own air arrangements will be solely responsible for required transfers. Individual transfers can be purchased. Please ask your agent for details.

Child Policy: All guests under the age of 18 are to be in a cabin with an adult, and must remain supervised at all times, and their safety is the responsibility of the accompanying adult(s). Children under the age of 11 may share a cabin with 2 adults provided that the child must be able to share the bed with the adults - no additional bed will be provided. The cruise fare for the child under 11 will be 25% of lowest cabin category price. Please be aware that cabins with French balconies/Full Balconies may be unsafe for small children if left unsupervised. Children under the age of 4 are not allowed, and children 4-7 years old are not recommended. AMAWATERWAYS does not provide child-specific programs or child-friendly facilities.

Cancellation Charges: In the unfortunate event a participant must cancel travel, notice to us must be via email, which must include a return receipt and read notation, or other writing stating clearly and correctly each passenger's name, ship name, start and end date of the cruise and a brief statement of the reason for cancellation. Other forms of notice are not sufficient. If already issued, unused air tickets must be physically returned to us before they can be cancelled. Cancellation date is the date we receive the written cancellation notice and unused tickets. A name change or substitution of participant is also treated as a cancellation in that all cancellation charges apply. Cancellation charges are per-person, based on the cancellation date, as follows: (i) more than 120 days before departure: \$200 loss of deposit; (ii) 120-90 days before departure: \$400 loss of deposit; (iii) 89-60 days before departure: 35% of cruise or cruise tour price; (iv) 59-30 days before departure: 50% of cruise or cruise tour price; (v) 29-07 days before departure: 80% of cruise or cruise tour price; (vi) 6 days or less before departure: 100% of cruise or cruise tour price. Cancellation charges also apply to additional charges for upgrades, transfers and other pre-purchased services. Protection plan premiums are non-refundable. Additional cancellation fees apply for air tickets. After travel begins, there is no refund for unused services, or unused portions of cruise or cruise tour.

TRAVEL PROTECTION PLANS: TO REDUCE OR MANAGE YOUR RISKS OF FINANCIAL LOSS AND OTHER LOSS ARISING FROM CANCELLATION OR DELAY OF TRAVEL, INJURY, DEATH, LOSS OF OR INJURY TO PROPERTY, AND OTHER RISKS, YOU ARE ENCOURAGED TO OBTAIN YOUR OWN TRAVEL PROTECTION PLAN, TRAVEL INSURANCE, ACCIDENT, LIFE, HEALTH, MEDICAL AND OTHER FORMS OF INSURANCE. We offer a travel protection plan issued by Travel Guard, an independent provider of travel protection plans. They are not affiliated with us, and we disclaim any responsibility for them or their plan. Other forms of travel protection are also available. Ask your agent for information.

GENERAL PROVISIONS

Cruise and Cruise Tour Itineraries: We seek to provide services as published or stated in the final documents. But deviations to planned cruise, cruise tour itinerary or any other aspects of the travel may occur. If conditions make cruise routes unsafe for navigation or in other respects, or raise sufficient doubt about safety, we reserve the right to modify or provide alternate services. These may include, but are not limited to, providing accommodation on the docked ship and/or substituting ground arrangements. An effort will be made to try to arrange elements of the cruise and cruise tour similar to those originally planned. But the level of similarity may vary. Such changes will not entitle you to any credit or a refund. Cruise, cruise tour routes, and all other aspects of the cruise and travel are subject to change with or without notice.

If the services of a supplier cannot be delivered or there are changes in any planned service for any reason beyond our control, we will make an effort to arrange similar services. Any resulting additional expenses will be participant's responsibility.

Passenger Contract: All ship transport is provided according to terms and conditions of the Passenger Ticket Contract available in the final documentation and available for review at the following website: www.AMAWaterways.com. The Passenger Ticket Contract is between passenger and AMAWaterways GmbH, an entity organized under the laws of Switzerland, which owns, operates and/or charters the ship, is governed by laws of Switzerland, and establishes limits of liability, limits on claims, and time limits for making claims, as well as other restrictions, limits and disclaimers. It incorporates provisions and limitations under the Athens Convention Relating to the Carriage of Passengers and their Luggage by Sea, 1974, and the Protocol to the Convention Relating to the Carriage of Passengers and their Luggage by Sea, 1976, the International Convention on Limitation of Liability for Maritime Claims, 1976, and the Strasbourg Convention on the Limitation of Liability of Owners of Inland Navigation Vessels, 1988. Interpretation: Headings in these terms are only for convenient reference and shall not be used to interpret, construe, define or limit any provision. Whenever logical in the context, references to the singular shall include the plural, and vice-versa. You acknowledge the travel contemplated by these terms is voluntary; you are not obligated to purchase services from us or any particular provider, or at all, and thus you are not obligated or forced to enter into or accept these terms. These terms were developed to achieve a delicate balance and exchange of rights, remedies, limitations, exclusions, risks and risk management and economics between you and us; and the balance provides substantial benefits to you, which we could not offer at the attractive price(s) offered, but for that delicate balance. Absent that balance, prices would be much higher and services would be reduced. Accordingly, the provisions of these terms shall be interpreted and construed according to their fair meanings and not strictly for or against any person or entity. If any provision of these terms is found by a court having jurisdiction to be invalid or unenforceable for any reason(s), such provision shall be deemed to be severed and of no force and effect and all remaining provisions shall remain in full force and effect.

California Seller of Travel Law: We are registered with the California Attorney General, California Seller of Travel Program as Amadeus Waterways, Inc., registration number CST 2065452-40. Registration as a seller of travel does not constitute approval by the State of California.

Upon cancellation of the transportation or travel services, where you are not at fault and did not cancel in violation of any terms and conditions previously clearly and conspicuously disclosed and agreed to by you, all sums you paid us for services not provided will be promptly paid to you, unless you advise us in writing, after cancellation. This provision does not apply where we reissued the payment to another registered wholesale seller of travel or carrier, without obtaining a refund, and where the wholesaler or provider details in providing the agreed transportation or service. In this situation, we must provide you a written statement accompanied by bank records establishing the disbursement of the payment, and it disbursed to a wholesale seller of travel, proof of current registration of that wholesaler.
