# Required Travel Insurance

## All guests are required to have travel insurance in order to travel with Uniworld.

You are not required to purchase travel insurance from Uniworld and may purchase travel insurance from any provider that includes the following coverage: Trip Interruption, Trip Delay, Medical Expenses, Quarantine Expenses and Emergency Evacuation/Repatriation. The insurance must cover medical costs and a medically imposed quarantine if the insured, or someone the insured has come into contact with, tests positive for COVID-19.

Minimum coverage requirements (per person):  
Trip Interruption: Cost of the trip (excluding air).  
Trip Delay: \$150/day, \$750 total.  
Emergency Evacuation: \$100,000.  
Medical Expense: \$25,000.

If you do not currently have travel insurance, please contact Uniworld or your travel advisor as soon as possible to discuss your options. Should you choose to travel on Uniworld without the required travel insurance, you will need to declare your option on the Passenger Information Form. Documents will not be released until the insurance declaration section of the Passenger Information Form or 'My Uniworld' has been completed.

All minimum coverage requirements listed are per person. For complete details on all Insurance questions, please go to <https://www.uniworld.com/US/already-booked/TRAVEL-PROTECTION>
